SPEAKER: IAN ASHBY

Ian was born and raised in London, England. For the first twenty years of his life he had never set foot in a church. His father was a warlock and his step-father was part of the South London criminal underworld. How Ian became a Christian and ended up coming to the United States to pastor a church is an amazing story of God's providence and a testament that He still speaks today.

Ian attended C. H. Spurgeon Bible College in London and now is head elder of New Frontiers Church in Portsmouth and regional leader for all the Confluence Churches in the northeast. Ian is married to Emma who is a successful artist and being trained in graphic design helps his wife in her art career. They have lived in Portsmouth, NH since 2002 and have 4 grown children and 5 grandchildren.

God never comes to 2 people or 2 places in exactly the same way. God is an amazing God!
